Closing Words

Dear Parents,

Greetings from Akis!

The month of September welcomed our kindergartners back to school. KG students trotted back to school on 7th September with vigour and gusto, to embark on their learning journey.

Learning for life is a lifelong attempt at keeping abreast with change. Hence, it is imperative for the school, the home and the community to provide such experiences for our little ones that will foster the young humans to be the game changers, the risk takers & the creative thinkers who have conviction in their potential, values in their hearts, acceptance in their beliefs, passion in their efforts and a steadfast commitment to pioneer change in a global community.

Our heartfelt gratitude to our parent community whose confidence in our efforts fuels our determination to deliver nothing but the best!

We welcome you back to all the fun adventures!

Welcome back to Learning!!

Al Khozama Kindergarten, Dammam

CIRCLE TIME

KG1 - During circle time, children learnt to demonstrate concern for the feelings of others.

KG2 - Children learnt to follow instructions and the rules of the classroom.

KG3 - Students learnt appropriate ways to control their emotions. They shared ideas on how to take responsibility for their own well being.

Al Khozama Kindergarten, Dammam

THEME TIME

Clay model of a dinosaur

Activity- Clay modelling of animals

Education is not
the learning of
FACTS,
but the training
of the mind to
THINK.

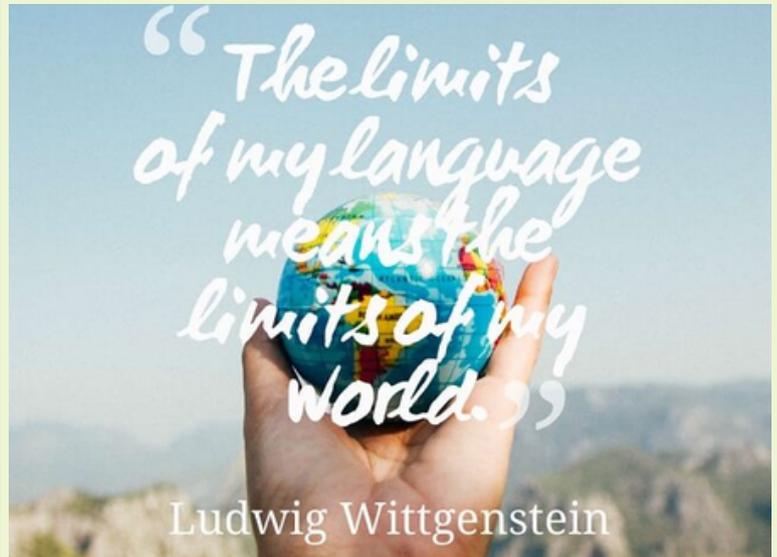

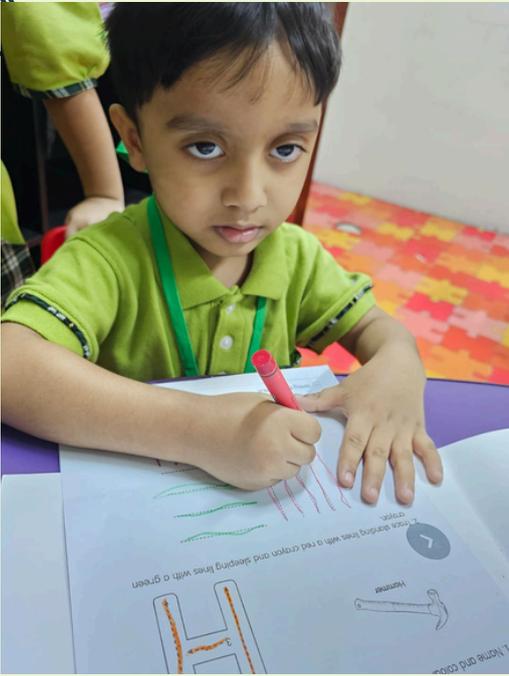

KG1 - During Science Time, children learnt about community helpers and the jobs that they do, they also identified and listed the different community helpers.

KG2 - Students were able to identify animals that live on both land and in water. They were also able to describe their features and draw comparisons between the animals.

KG3 - Students learnt about community helpers and the importance of the community helpers in a society. They also learnt about the simple tools used for different jobs.

Al Khozama Kindergarten, Dammam

LANGUAGE TIME

KG1 - In September, KG1 children were able to recognize the letter 'H' and the words that begin with it. Sleeping and standing lines were also reinforced.

KG2 - Students were able to recognize the letters Oo, Uu, Dd, Gg, their sounds and new words that begin with these letters. They were also able to give the correct sequence of the events in a story/ rhyme.

KG3 - Students learnt to use question words in sentences and wrote cvc words with the 'i family' words. They could recall rhymes and were introduced to the rules of sentence writing. They wrote different sentences using a, e, i and o family words.

Al Khozama Kindergarten, Dammam

MATH TIME

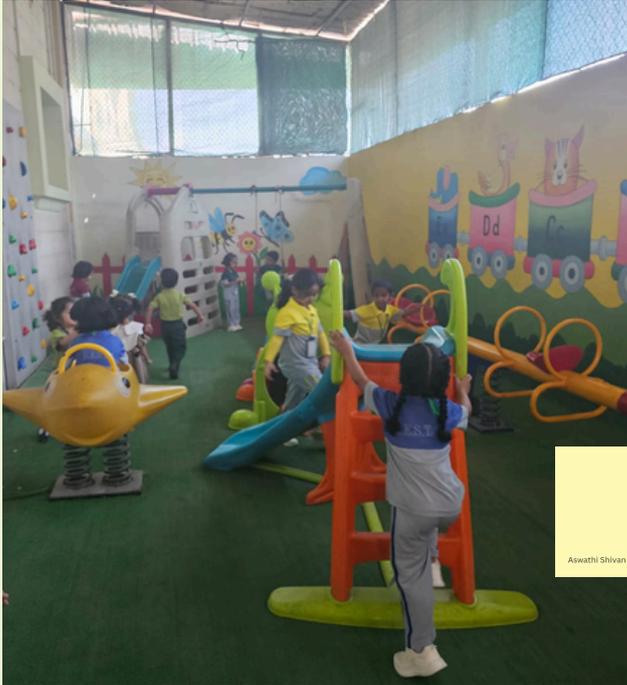

math
gives us
hope that
EVERY
problem has a
Solution

KG1 - During Math time, KG1 students identified heavy and light objects and could also compare two objects based on the weight.

KG2 - Students were able to compare the quantity of water in glasses of the same sizes using the vocabulary - same, full & empty. They could describe their observations and transfer water from one glass to another. Children were able to identify and write numbers from 1-12.

KG3 - Students learnt the number 14 and to add and subtract numbers within 5. They also learnt to identify and list numbers before, after and in between numbers 1 to 15.

Al Khozama Kindergarten, Dammam PLAY TIME

Happy times
are never ending
when we're
playing &
pretending

KG1 - Children were able to walk on a narrow beam with support and jump off a low step, landing on two feet.

KG2 - Students were able to catch a plastic ball and take a round. They also enjoyed rolling on the ground and hopping forward and backward.

KG3 - Students used alternate feet to climb up & down stairs. They were made to jump from a height of about 2 feet and over hurdles. They could catch a small ball and throw a ball at a given target.

Al Khozama Kindergarten, Dammam ART TIME

KG1 -Children used fingers and whole arm movements to transfer objects. They could roll, beat or pat clay, pull it apart and press it together.

KG2 - Students were able to cut paper along straight lines using safety scissors, they were also able to use wrist and finger movements to zip and to fold napkins into quarters.

KG3 -Students stuck colourful bits of paper to decorate their own names. They could open a jar with a screw lid and could colour in large outlines.

SPECIAL EVENTS

1) Welcome Back to School- Kindergarten reopened on 7th September 2025. The little kindergartners were treated to various fun activities that made their reopening day filled with happy memories to cherish!

2) SEE assembly - SEE assembly that focused on the topics 'empathy, inclusivity and honesty', was done on 21st September 2025. The assembly provided a platform to practice mindful meditation exercises and explored the life skill of being proactive in public through the role play 'Stranger Danger' done by the KG teachers.

Strangers safety awareness through role play by teachers.

3) Saudi National Day- KG students celebrated the Saudi National Day on 22nd September 2025. The day was also observed as 'Green Colour Day'. Children came dressed up in the traditional Saudi Arabian attires, celebrated the Saudi National Day with pomp and shared various traditional delicacies with their classmates during the snacks time.

4) Bunnies Camps- Bunnies Camps 2 & 3 held between 24th to 29th September, provided a plethora of activities that helped to augment the physical,

Dammam
CLOSING WORDS

Thank You

An illustration showing several hands of different skin tones holding up large, colorful letters that spell out "Thank You". The letters are in various colors: 'T' is teal, 'h' is yellow, 'a' is purple, 'n' is red, 'k' is orange, 'Y' is teal, and 'o' is blue. The hands are positioned below the letters, as if they are holding them up.
