Dear Parent,

*Greetings from Al Khozama School!!!*

Hope you and your family are safe.

**NATIONAL CHILDREN'S SCIENCE CONGRESS [NCSC] 2022-23**

We are delighted to inform you that Science India Forum has begun the registration process of NATIONAL CHILDREN'S SCIENCE CONGRESS[NCSC] 2022-23. NCSC is a program of the National Council for Science and Technology Communication (NCSTC), Department of Science and Technology (DST), Government of India. NCSC's main aim is an ideal and innovative program for children to inspire, empower and expand both their mind and word. The mandate of participation is that, the children carry out innovative idea/project/research work on a particular topic in relation to theme and sub-theme announced by NCSTC, DST, Government of India. The selected awardees are sponsored for National Children Science Congress held every year from 27th December to 31st December at selected venues. The age criteria are as given below:

- Senior Category: Born between Dec-31, 2005 and Dec-30, 2008 (including both dates)
- Junior Category: Born between Dec-31, 2008 and Dec-31, 2012 (including both dates)

The students who are interested must inform the Science teacher and also register via the NCSC Registration Link shared by the class teacher.

The previous year's Orientation PPT and Activity Guides [the theme and subthemes] shall be shared by the respective Science teachers. Please find the below link for the Video Orientation:

Please note the last date for registration is **30<sup>th</sup> June 2022**.

Let's be a part of this real experiment to promote 'methods of science' with ample opportunities to encourage creativity, innovation and experiential learning

Regards

Principal
