

NEW AL WUROOD INTERNATIONAL SCHOOL, JEDDAH, K.S.A

Affiliated to CBSE – New Delhi, Affiliation No. 5730008

Grade:3

Subject : SCIENCE

WORK SHEET: 1

Block 19 and 20

Fill in the blanks:

- 1- Soil is an important ----- resource that covers the earth.
- 2- ----- are threads that make fabric.
- 3- Chulhaas were made from -----
- 4- All fibers that come from plant and animals are called -----
-
- 5- The upper most layer of soil is dark brown in which mainly contains -----

- 6- Artificial fibers are also called as -----
- 7- ----- is the third layer of the soil.
- 8- ----- and ----- the example of natural plant
fibers.
- 9- It takes ----- of years for soil to form.
- 10- ----- fibers smells like burning hair when they burn.

Name the following :

1-Breaking of rocks into smaller pieces.

2- Home of earthworm, snail and ants

3- We get silk fabric from.

4- What breaks due to rain , wind , heat and cold and forms small particles.

5-Which fabrics wrinkles easily

True or false:

- 1- Humus is also called as fertile soil. _____
- 2- Jute is an artificial fiber. _____
- 3- Soil contains water and air. _____
- 4- Animals live in the soil also breath. _____
- 5- We should dry the clothes in very hot sun. _____
- 6- The smell of naphthalene balls does not allow the bugs to come near the cloth . _____
- 7- The water in the soil absorbed by the roots of the plants. _____

Answer the following:

1-What are the uses of soil?

2- What is the difference between natural and artificial fibers?

3- What is weathering of soil? Name some factors that cause rocks to break?

4-What is the difference between the burning of natural and artificial clothes?

5-What does the upper layer of soil contain? Why is this layer most important for growth of plant?

Give reason for the following questions:

1- Why do farmers not use the same soil for growing plants as use for making pots?

2- Why do clothes made from artificial fibers dry quickly?

3- Why is air present the soil, important for the plants and animals?

4- Why are cooking aprons made of cotton fabric?

Identify the picture and comment on it.
